Re: Global Innovations, Inc., adv. ALS Scan, Inc.

Dear Mr. Lombardo:

Thank you for returning my call Monday, and for extending the courtesy of accepting me as the agent for service of process both as to Global Innovations, Inc., and Ramsey Lamerson. I am finalizing arrangements with local counsel, and will provide you with their contact information in the next day or two. I understand you intend to file the action in Baltimore, which has e-filing requirements. Thanks for your courtesy.

Very truly yours,

Charles Carreon
